GEORGE BINSAR M. T. SITORUS

085163162918 | georgebinsar45@gmail.com | https://www.linkedin.com/in/george-binsar-m-t-sitorus/ | https://github.com/georgepach

Aspiring Software Engineer passionate about building impactful digital solutions and continuous learning. I have hands-on experience applying technologies like Laravel, React.js, C, Python, HTML, CSS, SQL, and Laravel to build both frontend and backend solutions. A collaborative problem-solver who thrives in team environments and is committed to growing technical expertise through real-world projects

Education Level

Universitas Bina Nusantara - DKI Jakarta, Jakarta Barat | Aug 2023 - Jun 2027 (Expected)

Bachelor of Computer Science, 3.42/4.00

- Relevant Coursework : Software Engineer, Agile Software Development, Code Reengineering, Pattern Software Design

Organizational & Other Experiences

BINUS University - Beelingua - DKI Jakarta, Jakarta Barat | Apr 2025 - Present

Beelingua Mentor

- Selected as 1 of 50 mentees from hundreds of applicants for the Beelingua mentorship program.
- Guided 50–60 peers on their Beelingua learning journey through one-on-one tutoring and group discussions.
- Collaborated with DLLC officers to enhance peer learning, engagement, and overall educational outcomes.

BIFest Beelingua Olympiad 2025 - DKI Jakarta, Jakarta Barat | Oct 2025 - Present

Beelingua Mentor

- Served as a Liaison Officer for the BiFest Beelingua Olympiad 2025 Debate competition, ensuring smooth coordination between participants and event staff.
- Guided debaters from the main hall to their assigned debating rooms, providing direction and maintaining schedule efficiency.
- Collected adjudication forms from debating rooms and submitted them to the tabulator, supporting the accuracy and flow of the competition.

Do Well Do Good Future Leaders - BINUS Chapter - DKI Jakarta, Jakarta Barat | May 2025 - Aug 2025

Project Support

- Researched marketing challenges for LindungiHutan using an Issue Tree framework and co-developed strategies with clients.
- Created a strategic timeline and roadmap, strengthening expertise in consulting, digital marketing analysis, and collaborative problem-solving.

Bina Nusantara Computer Club - BTT 1 - DKI Jakarta, Jakarta Barat | Dec 2023 - Jan 2024

Staff of Media Partner

- Successfully secured 17 strategic partnerships by identifying potential collaborators, reaching out to stakeholders, and negotiating agreements that supported the event's visibility and impact.
- Collaborated as a Media Partner for BTT 1, an academic event focused on artificial intelligence and machine learning, working closely with event organizers to ensure smooth execution.

Bina Nusantara Computer Club - DKI Jakarta, Jakarta Barat | Nov 2023 - Sep 2024

Activist

- Completing the Front-end Course as a Technology Project Member. Enhancing the user interface, and ensuring a user-friendly and visually appealing online presence through effective teamwork.
- Enrolled in Back-End Development coursework. Executed a website development project, showcasing my ability to bridge technical skills and practical applications.

Achievements

The 10th International Conference on Computer Science and Computational Intelligence 2025 | Jul 2025 - Aug 2025

- Co-author & Presenter of paper "Bridging the Gap: A Comparative Evaluation of Agile, Waterfall, and Hybrid Methodologies in Modern Software Project" at the 10th International Conference on Computer Science and Computational Intelligence (ICCSCI 2025)

Finalist - UI/UX Competition Business and System Innovation Challenge (BASIC) 2024 | Jan 2024 -

- Led Team "Joy" in the UI/UX Competition (Business and System Innovation Challenge 2024), managing collaboration and overseeing design and user flow to deliver a user-centered, creative, and functional solution.
